

# STUDY SHARE FOR STAFF

For staff on how to send studies to either providers or patients.

**INSTANTLY, SECURELY, AND EFFORTLESSLY SHARE STUDIES WITH PATIENTS OR REFERRING PHYSICIANS VIA STUDYSHARE.**

## Important to Note:

- Please make sure the patient's **first name** and **last name** is spelled correctly in the study.
- Additionally, please make sure the right **date of birth (DOB)** is put in accurately in the study.

If these fields are not filled out or put in accurately, the patient will not be able to view their images.
